SEMESTER AND SUMMER PASSES & YOUTH TOKENS

JTS is pleased to offer the semester pass, summer pass and youth token programs to provide affordable, reliable, and safe transportation for Janesville's youth.

- ★ Semester & summer passes and youth tokens are for students in 6th through 12th grades, middle school & high school students.
- ★ Tokens and passes may be used on all in-city routes, including evening Nightside Service, Monday through Saturday, during normal operating hours. Youth tokens and passes are **NOT VALID** for inter-city travel outside Janesville city limits.
- ★ A youth token provides a student one in-city trip and includes one immediate transfer. Youth tokens are priced at half the regular fare.
- ★ A semester pass provides a student unlimited in-city rides per semester. A summer pass provides a student unlimited in-city riders while school is out of session in the summer.
- ★ Youth tokens and passes are **ONLY** sold at middle/high school offices, school stores, or school credit unions. Each school establishes its own sales locations and times; please check with your school about where and when tokens are sold. Youth tokens and passes are **not** sold at JTS, on the bus or at store outlets.
- ★ Bus drivers may require passengers riding with youth tokens to show their current school ID card, *issued by a Janesville school*, to certify eligibility.
- ★ The semester and summer pass is a tamper-proof, hologram sticker that is affixed to the back side of a middle or high school student ID card. Students using semester or summer passes must present both sides of their ID card to the driver upon entering the bus.
- ★ Youth tokens are valid year-round. The fall semester pass is valid starting the first day of the school year through the last day of the first semester. The spring semester pass is valid starting the first day of second semester through the last day of the school year. Semester passes may be used during school breaks and on weekends that take place during the semester. Semester passes *are not* valid during the summer break. The summer pass is valid starting the first day of summer break through the last day of summer break. Summer passes are not valid during the academic school year.

- ★ Please wait for the bus to stop before moving to the door.
- ★ After stepping off the bus, move directly away from the vehicle; do not walk along the side of the bus.
- ★ If you must cross the street after leaving the bus, ***wait for the bus to pull away*** before crossing.
- ★ ***DO NOT CROSS IN FRONT OF THE BUS*** as vehicles approaching from the rear cannot see you and you may be hit!
